Maz is coming

Deputy Prime Minister Don Mazankowski has announced that he will attend the February 15 presentation of Celebration '88 Awards in Elk Point.

The public is invited to attend the ceremony, at which medals and certificates will be presented to athletes, volunteers, coaches,

officials and sponsors who have been nominated by their fellow citizens in the area for their contribution to amateur sports.

Time and place for the ceremony will be announced as soon as final arrangements are made.

Trade Fair plans

Plans for Elk Point's first-ever Trade Fair, set for April 15 to 17, are progressing well, said Charlene Baker of the Elk Point Agricultural Society, sponsors of the event.

"We plan to offer a lot of different things which will be of interest to a wide range of people," Ms. Baker said, indicating that farmers, homeowners and women will be some of the target groups.

Feed, machinery and chemical companies along with livestock associations have indicated a strong interest in taking part, she added.

A fashion show, along with other entertainment, is on the program. Christy Boulter has been chosen as entertainment director, and will welcome local

groups and individuals who wish to volunteer their talents as part of the entertainment program.

Several food booths may also be a part of the fair.

Ms. Baker said that the main purpose of the Trade Fair is to promote Elk Point and to show surrounding communities "that we have a lot to offer here".

Proceeds from the Fair will go to the society's new Agricultural Committee, which is embarking on an ambitious program to develop fairground facilities for Elk Point: "first, show rings, then an indoor riding arena, and eventually a racetrack," Ms. Baker enthusiastically reported.

The Agricultural Society plans to make the Trade Fair an annual event.

MARWAYNE B.P.O.E. SENIORS WIN CORBY ZONE PLAYDOWNS — Harold Tupper, Don Harvie, Mel Huff and Bob Hansen are off to Hanna on February 5 to 7 to

compete in the Alberta Elks Corby Cup Playdowns, Senior Division. See story Page 2.

Larger centres attract doctors, Chamber told

Larger towns, with more amenities and more doctors currently on staff, are attracting potential new doctors away from towns the size of Elk Point, "because they would prefer to go where they aren't on call every third night," Dr. Frank Estey told the Elk Point Chamber of Commerce last Wednesday.

Estey was joined by Hospital Administer Clem Johnson and Hospital Board members John Williams and Marvin Bjornstad in discussing the need for more doctors in Elk Point with the Chamber. A good turnout of nearly 30 members and guests were on hand for the meeting. Vice President Gordon LeDrew welcomed the guests from the Hospital, congratulating them on their achievement of three-year accreditation status.

Marvin Bjornstad related the role of the Hospital Board in medical recruitment to the group. The Board is responsible for every aspect of the hospital's operation, and therefore bears some responsibility for the recruitment, Bjornstad said, as they do for giving doctors working privileges. However, the Province does not encourage boards to do the recruitment, preferring that the doctors presently on staff take this responsibility.

Bjornstad told the Chamber that a \$5,000 fund has been set up

for any group in the Elk Point area that "wants to go out and recruit a doctor." The Board has investigated Provincial incentives, which could include a 7% fee bonus for a period of time, plus up to \$10,000 per month for the first three months to cover setup costs of the new practise.

Estey said he feels, as a doctor working in town, that it is "up to me" to do the recruiting. "I'd rather a newcomer worked with me, rather than against (as opposition) me." He added that active recruitment has been underway for 2 years. During that time 5 doctors have come to explore the prospects of opening a practice here, but none decided to stay. The need for Canadian citizenship or landed immigrant status had resulted in one prospect not locating here, he noted.

Estey said that it is possible to bring in doctors from other countries, but to do this, one must first advertise from coast to coast with no response. At the present time, Elk Point's second national advertising campaign in this regard is underway. Local dentist, Bruce Kleeberger, reported similar problems in his search for an associate, which only recently resulted in success, and said that his "persistence finally paid off". His experience in recruiting professionals both for his own practise and for the

Health Unit, showed that, internationally, there are people interested in locating in smaller communities, he said.

When asked what the Chamber could do to help with the search for another doctor, Estey said he is "not a very good salesman," and could use some help in promoting the community. He said

Elk Point nurses at work

While nurses across Alberta are manning the picket lines, it's business as usual at Elk Point Hospital.

"I'm very pleased that all of our nurses decided to come to work," Director of Nursing Diane Anderson told the Review Tuesday. She added that Elk Point is one of the few hospitals in the province where this is the case.

No increase in patient load has yet been noted, but Mrs. Anderson said this could change if the strike continues for any length of time, "However, we're all hoping the strike won't last that long."

SKATERS OFF TO WINTER GAMES — Elizabeth Ludlage (right) and Shauna Loughran will be competing at the Alberta Winter Games in Red Deer this weekend, after a successful trip to the Zone 7 competition in Stony Plain, where Elizabeth won gold and Shauna silver in the Juvenile Ladies' class.

JUNIOR CORBY CUP ZONE WINNERS — Were the St. Paul rink consisting of Noel Looy, Lorne Bury, Henri Desaulniers and Don Brown, shown receiving their zone crests from Peter Donnan, Zone Curling Committee

Chairman. The Looy rink defeated Elk Point's (front, l-r) Dave Yake, Wayne Smith, Don Brooker and Walter Skolarchuk in a hard-fought 2-game final series.

Marwayne, St. Paul win Corby Cup zone

Junior and senior Elks curling teams from throughout the zone gathered in Elk Point this weekend for the Corby Cup North Central Zone Playoffs.

Marwayne's Harold Tupper skipped his rink to the senior victory over the Heisler foursome, in a 5-end runaway. Rinks from Sherwood Park, Irma, St. Paul and Barrhead also took part in the double-knockout play.

Last year's Alberta Corby Champs from St. Paul, skipped by Noel Looy, took on the Dave Yake rink from the

hosting Elk Point Elks Lodge in the junior final. Looy came up from the "B" side of the double knockout to meet the undefeated Yake rink in the final, securing the game with a 2 point margin, and making it necessary for a second game. St. Paul won the close and exciting deciding game. Other rinks competing in the 3-day spiel were Wainwright, Rosalind, Mannville, Barrhead and Wetaskiwin.

Marwayne and St. Paul will now go on to the Corby Provincial Playdown in Hanna, February 5, 6 and 7.

Business security seminar

The Elk Point RCMP Detachment, in conjunction with the Elk Point F.C.S.S., will be hosting a business security seminar on February 8, 1988, at the F.C.S.S. building. All businessmen within the Elk Point Detachment area are invited to observe and discuss various methods of better securing their business premises against physical attack.

As well as informative literature, films, and input from the detachment members, representatives from Lloydminster LOCK & KEY, and NORSASK SECURITY from Lloydminster will be in attendance to

discuss physical and electronic security and relative costs of implementation.

Profit loss through break-in has become a major concern to the Elk Point area businesses, and it is with this thought in mind that this free

seminar has been organized. It will start at 7:30 p.m. and will continue until all concerns are dealt with. If able to attend, please contact Cst. Leslie Ripley or Cst. Doug Huskins, at 724-3829 so that adequate refreshments may be supplied.

Doctors

(Cont. from Prev. Page)

that on a recent trip to a recruiting seminar, representatives of the Town and Board provided support in this area, but that the Chamber would be welcome to help in future endeavors.

Questioners were told that the possibility of acquiring a surgeon in the near future is remote. Only small-scale surgery is permitted in this size of hospital. Administrator Clem Johnson told the group, because of the need for additional doctors, laboratory facilities and other resources that are needed for large-scale surgery.

In conclusion, Estey said that he has the feeling that the community and Chamber "thinks we aren't trying—but we are. We aren't blocking the acquisition of another doctor in any way. We just haven't found one yet."

Elk Point Elks win, lose weekend games

Elk Point Elks skated to a 10-7 victory over Lac La Biche Clippers Friday night, in a game which saw nearly 40 penalties handed out to the members of the two scrappy teams.

The first half period of play saw the score seesaw, with Willie Lesyk's opening goal for the Elks, assisted by Kerry Loughran, soon answered by LLB's Leon Bastarache, assisted by Wayne Cunningham and Robert Cadieux, and the second Elks goal, by Delwyn Slemp off an assist by Terry Wozniak, answered by Cunningham, scoring off assists by Bastarache and Al Allison.

The Elks gained a three goal lead in the remainder of the period, with goals by Murray Scoggins, Vic Stepa and Murray Cochrane, assisted by

Dale Gochko, Jeff Buck, Byron Smyl, Terry Wozniak, Murray Cochrane and Vic Stepa. Three power-play goals were scored in the first period, two of these by Lac La Biche.

With both teams playing a strong defense, the first goal of the second period came at the 7:13 mark with LLB's Cunningham flipping into the Elks net off assists by Bastarache and Cadieux. A pair of LLB power-play goals 42 seconds apart tied the score, with Cadieux and Luc Bastarache scoring with assists by Luc Bastarache, Allison and Cunningham.

Murray Cochrane and Terry Wozniak pulled the Elks irons back out of the fire with a pair of goals, assisted by Curtis Collins, Willie Lesyk and Kerry Loughran. Leon Bastarache replied for the Clippers with an unassisted goal, but the Elks ended the period with a 2-goal margin, thanks to Murray Cochrane, who scored off a pass by Byron Smyl with 36 seconds left on the clock.

The third period was marked by an unenviable number of trips to the penalty box. Murray Cochrane managed a shorthanded goal off an assist by Kerry Loughran with 2 of their fellow Elks in the penalty box, and came back for an encore 2½ minutes later, this time off an assist by Byron Smyl.

A Lac La Biche goal at the 14:57 mark was disallowed, due to too many men on the ice.

The game's only major altercation,

a fist-swinging, sweater-snatching duel between Elk Curtis Collins and LLB's Glen Mazurek with 1½ minutes remaining, resulted in an apparent disagreement between the referees and the Clippers' coaches, who trooped off to the dressing room in the wake of Mazurek, taking all but 7 of their players with them. Those who remained on the ice were cheered by the crowd for their good sportsmanship, while more cheers went to Robert Cadieux, who scored the final goal of the game in Lac La Biche's favor, unassisted, in the final minute of play.

Packers 5 - Elks 4
Sunday's game against Cold Lake Packers was a totally different story,

with roughly half the goals, half the penalties and generally much better hockey.

Murray Cochrane put the Elks on the scoreboard just 55 seconds into the game, with an unassisted goal that was not equalled by Cold Lake until mid period.

The Packers pulled ahead with a lightning fast goal early in the second, then gained a two goal lead with an almost-instant replay a minute and 6 seconds later. The Elks narrowed the margin to one point with Cochrane scoring off a face-off pass by Vic Stepa at the 16:37 mark.

Cochrane's third period hat-trick goal and one by Kerry Loughran were answered by a pair from the Packers, to give the Packers a 5 - 4 win.

Recreation and Culture news

By Gail Kozicky
Elk Point Municipal Recreation and Cultural Board met for its regular monthly meeting January 13, 1988. During this short meeting, the board entertained two delegations and selected sub-committees to initiate and wrap up other business.

Barry Romanko, Regional Recreation Consultant, returned to assist the board with continuing development of policy and guidelines.

Byron Mann presented a complete proposal for a Water Slide Park on the recreational property. At this time however, a commitment only as far as reserving the space necessary for this project, was Mann's objective.

Celebration 88 awards are to be held in conjunction with the Olympic Games, in Calgary next month. For communities not along the torch route, the federal government is providing 6 medals per community and for Elk Point, 26 certificates, to honor residents in the categories of: male & female athlete, volunteer, coach, official, and sponsor. The certificates will be awarded to those in our community who have contributed to the quality of life, in any field of endeavor. After having asked the community for nominations and receiving, four names, the board will be notifying these people soon. Don Mazankowski will be coming to Elk Point at a date to be announced, to present these awards. The public is invited to participate in greeting the Honourable Minister and presentations. Lawrence Pidluzny, Holly Burton and Gail Kozicky form the Celebration 88 Awards Committee.

The Provincial Recreation Workshop, Energize '88 is coming up February 4, 5 and 6. This year's theme is "Synergize-Working together to Maximize Resources". They care

The pins they wear say "We Care". Their actions speak much louder.

While nurses across the province are on strike, those who work at the Elk Point Hospital have chosen to continue to provide health care to the community in their usual competent fashion.

Our parents will not have to worry about what would happen if a child should become ill, or a baby decide to make its arrival. Our elderly need not fear that help would not be at hand if they need

ed it. For all of us, it is a reassurance that if an accident should befall us, or our colds turn into something worse, we will be taken care of.

Dedication like this is something that is all too rare in today's world. Dedication like this is something that could never be adequately repaid with mere money. Dedication like this is one of the factors that earned the hospital its recent 3-year accreditation.

We're so glad that they care.

Dear family members

By Irene Magnusson

Wichita, KA, 15/1/88

Dear Irene:

I wish you a happy birthday - the big '0' one, eh! We had a busy holiday, both kids home from university and lots to tell. Hungry, too. But Shirley always rises to the occasion, as witness my extra girth. You asked about the weather here - no, we've had no tornados in the vicinity this winter, but we don't worry too much. There is a good warning system, and I've spent a lot of effort making the basement/family room completely self-sufficient and comfortable. There was one blizzard, but cleared off in a couple of days.

We walk a lot and play tennis. Work goes well. Tony is really getting his teeth into law. I hope you enjoyed your trip, we look for your letters.

Love, Ed and all.

Montreal - Jan. 9/88

Dear Irene,

It's stormy again today, so a good time for writing. We enjoyed your Christmas 'newsletter', and so glad you are travelling. B.C. was a good winter choice. We have had a mean time here, snow and wind and cold. Fortunately it doesn't last too long. Mary was glad to be home through the worst of it. Grant didn't get home from P.E.I.

We have been busy with band practice, and enclosed is a tape of our concert last July, also pics. of our red maple last fall. This tomato weighed 1 kg - and there were lots of them!

Doreen and I are looking forward to the reunion next July - surely we'll try to make it. This being retired is hard on me - always so much to do!

Take care, bro. Buck & Doreen

Fairview, AB 20/1/88

Dear Mom,

Thanks for the phone call - we thought we'd write this time (even with higher postage, it costs less!). Hope you're all rested up from your trip. We had a lively time, with all the kids home for a short time, now all back to U of A. Michele enjoyed her brief 'practice teaching' time. We haven't met Kevin's new girlfriend yet, but he seems pleased ... so we will be.

Ellen and Pat and Aunt Jennie were over for supper the other night, all seem to be very well. By the way - I am fine, too. Also Aline.

We can't think of anything to do just

now, to get ready for the reunion, but I'm sure we'll think of lots later. July is a long way off - yet not, especially when there is almost no snow and the weather so very mild. Our hens have started laying again. (Yes, we still have them!). Haven't been too busy at the plant. You could come on up a week or two ahead of time - maybe give us some hints?

This chinook-type weather makes me think - where to go with the boat next summer??? We did have a good time, eh? Take care.

Love as always, Mel and Aline.

Apt. 37, Waikiki, Hawaii, Jan. 14/88

Dear Irene and all,

We arrived one week ago, five weeks to go. As usual it is crowded, but Bob loves the beach and swims every day. I'm not crazy about the water. Mostly I sit around the pool, do lots of knitting and fancy work. Stayed with Walter's kids two weeks, while his wife had her operation, in Dec. Grandkids are great - but sure tiring!

The plane was full coming over, a bit rough for a few minutes. Kind of lonely here, our friends who have come with us for 8 years couldn't make it this time. They've moved to a lodge. He hasn't been at all well. There was a terrible windstorm here just after we arrived ... sure cleaned the beach off!!

Will call when we get home - maybe before you get this letter! Hope you don't freeze up!

Love, A. and Bob.

Indianapolis, Ind., Dec. 20/1987

Dear Folks,

We are off in the morning for Phoenix! It will be so nice to get away from the cold winds and rain of winter. We'll be in Arizona for about four months, and may go on to California before returning home, to see the grandchildren - we have two there now! Bill has been so busy with the remodeling on our old house, returning it to its original "pre-restoration" condition. We were never this busy before we retired!!!

We will be thinking about the family reunion - don't know if we can make it - it would be great! Keep well. Our address will be in care of Kathy. Love to you dear ones. Merry Christmas!

Ruth and Bill.

Manotick, Ont. Jan/88

Dear Mother,

Always good to talk with you! Have a real nice birthday and look for a letter very soon. It is beastly cold around here, far too much snow! I'm off to Chicago in the a.m. Have pictures of Phoenix, convention there last week, will send some. We enjoyed Christmas in Vancouver - all too short! Love as always, we miss you.

Denny, Lynda & Clay.

Sointula, B.C. Jan. 18/88

Dear Irene,

Well, that was the first time we three sisters had Christmas together - we should make it a habit! How's the weather? It is still above freezing, a few showers, some strong winds. Grass green and I see a new bud on the rosebush by the door. Eric has been digging clams, over on the North Shore, said he'll bring us some. We enjoyed the crabs he brought around Christmas. They are busy, but we see them often or they phone. I've started a new quilt, and have small things going for the seniors' bazaar in the spring. We may go to Reno in March. Good to see you, take care, love, Grace and gang.

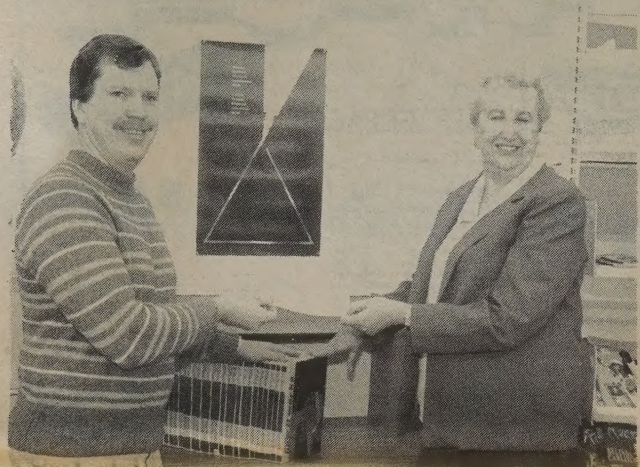

January 24, 1988. Brrrrrrrrrring! Hello? "Hi, Mom! How are you? ..."

Elk Point, AB, Anyday, 1988

Dear Family Members ... Once again, excuse me for using the communal newsletter. I want to write to you all, but there are so many of you dear ones, ...

Love Mom/Irene.

Flyers get a boost

Saturday, January 16, saw the Elk Point Flyers, a junior hockey team, as proud recipients of bright new hockey sweaters, presented by sponsors Mary and Paul Bespalko, of the "Big Foot 5 Cattle Company."

The couple have no kids playing on the team, which is made up of boys ages 7, 8 and 9, mostly in Grade 3, but

do have a warm spot in their hearts for "the little guys," Mary stated.

Coach Michael Chubey is assisted by Gary Youngchief and Kevin Piche, assistant coaches, in bringing the youngsters into good playing shape. On this day the Flyers were 'suited up', all with protective headgear, to play their fathers. There are fifteen members in the Flyers team.

Bullies brush by Braves

Alright you hockey fans! We've got a tough trivia question for you this week. How are the Elk Point Spruce View Simmental Farm Bullies like the Toronto Maple Leafs? Any really true blue hockey fan, especially a Maple Leafs fan could tell you that neither team had, until January 24 won since Christmas. In the Bullies' case that time period could be extended slightly longer.

However, dissimilar to their big league comparison, the Bullies broke out of their slump on January 24 when they brushed aside the Saddle Lake Braves.

These two novice teams (micro-novice or Little Rockets, whatever the appropriate reference is) met for the first time in the 1987-88 hockey season in Saddle Lake on a sunny Sunday afternoon.

Because of the last minute game confirmation some Bullies' parents were caught off guard having made other commitments such as to the very important annual Skate-a-thon which prevented them from attending and bringing their little bull for the game.

At game time it looked desperate! Six players in uniform and the coaches' ulcer acting up. At game time plus two minutes there were now eight hockey players dressed. Enough for a partial line change. By the middle of the first period the Bullies ninth and final player was dressed and on the ice providing just a little more breathing room.

The decision that faced the coach - Who to put in goal? Was it a stroke of genius? Was it just plain dumb luck? Or was it the fact that just the day previous the coach had given this player the opportunity to practise tending goal and he had done well? We will never really now but the decision was made - Jason Cabaj would play goal on this day.

Early in the game the goaltending decision could have been termed anything but brilliant as in the open-

ing moments of the first period the Saddle Lake Braves took to the attack and scored their first goal before the blink of an eye.

The Bullies settled in and got their bearings. They got untracked with two goals by Matthew Vincent taking a 2 - 1 lead after one period of play.

The bullies increased their lead to 4 - 1 on two goals by John Quinney in the second period before the Braves responded with a goal of their own. The second period ended 4 - 2 as the teams headed to the dressing rooms for a much needed rest.

The Bullies were favored with shorter periods as Saddle Lake organized the game with three 15 minute straight time periods which did in the end benefit the under staffed Bullies. Facing an opposition of 14 players the 9 player Bullies team had no complaints about the amount of ice time each player had in the game. In fact, a small misunderstanding arose when the coach would not let one of the players into the bench for a rest.

In the third period, Bullies starting centre John Quinney completed his hat trick bumping the score in the game to 5 - 2. The Braves scored in the final ten seconds of the game to narrow the score to 5 - 3.

However, it was the case of too little too late as the Bullies circled their goaltender at the final buzzer in celebration of their first victory of the season and since Christmas. Eat your heart out Wendel Clark.

...BULL DROPPINGS...the game's three stars were JASON CABAJ - 1st star, JOHN QUINNEY - 2nd star and MATTHEW VINCENT - 3rd star....the rest of the Bullies line up for their first victory included Russ Dale, Darcy Kozicky, Corey and Jason Marcoux, Billy Shelley and Tyler Vincent....the Bullies next action is Thursday, January 28 in Derwent at 5:00 p.m. and then its tournament time in Glendon on Saturday, January 30 at 10:30 p.m. against Bonnyville in game one....

Oh what a feeling!

TOPS AT THE HILLTOP — Are the friendly and well-trained staff, who offer you a warm Hilltop welcome along with their tasty cuisine.

Hilltop homes in on hospitality

February is Restaurant Month. During the next few weeks, we will be visiting a different Elk Point restaurant each week.

A recent change in management, combined with a brand new menu is bringing more and more patrons to Elk Point's northern most restaurant, the Hilltop Cafe and Lounge.

There, amidst a veritable jungle of live greenery, you can enjoy the hospitality of former Edmonton restaurateurs Ernie Lacombe (a former Lakeland from the Bonnyville-Ft. Kent area) and Ian Robertson, along with the fine cuisine of European-trained John Riedler and his support staff, served to you by a group of friendly and attentive waiting staff.

Much of the staff is from the local area, and some of these are being added to the management side, including Barb Croteau, whose innovative ideas include the Hilltop's new mascot, the Hilltop Hawk.

The new menu, just introduced this

dinner desserts include a sinfully rich and utterly delectable Mud Pie and a scrumptious Sour Cream and Raisin Pie, both designed to undermine the strongest will-power and sabotage all diets.

For the youngest diners, there is a small kiddies' menu, and an ongoing coloring contest, featuring the Hilltop Hawk.

A special "Hilltop Hawk Coupon" will be mailed out to Elk Point homes this week. Another will be given to you with each meal you enjoy at the Hilltop in coming weeks. Save up 10 coupons and receive a free meal of your choice, including dessert.

Restaurant hours are 6 a.m. to 10 p.m. Monday through Friday, 8 a.m. to 9 p.m. Saturday and Sunday.

A new atmosphere is to be found in the lounge, with its big, comfortable chairs, wide screen TV for sporting events and weekly movie night, pool table, dart boards and very own menu. The loud music and exotic dancers are a thing of the past, say the managers, while a more quiet atmosphere is in. A monthly calendar is available which lists the special events, including theme parties and ski trips. New opening hours are 11:30 a.m. until approximately 2:00 a.m.

The new management is dedicated to becoming a part of the community, and would like to make themselves and their facilities available for community events, including fundraisers. Their facility can be quickly transformed into a banquet area, and a public address system is available.

week, includes both old favorites and new taste treats for you to try. At lunch, these include "Blackened Beef on a Kaiser," prime rib sliced very thin and given the zippy touch of Cajun spices, and a "Cheese Pot," blending five varieties of cheese with crunch croutons and vegetables in this baked dish. Both of these meals are under \$5.00. There will also be two daily luncheon specials.

Prime rib of beef—"That's what we do best," declares Ian Robertson—highlights the new supper menu. Two new items well worth a try are the Shrimp Skewer, which you can enjoy either by itself on a bed of rice, or with other meals for only \$4.95, and Beef Ribs, in a hearty 16 oz or 24 oz serving. Two evening specials will be running weekly. This week, you can enjoy either a fine feast of Steak and Crab, or all-new Pork Milanese. The latter is very lean pork loin, battered in egg and parmesan, panfried lightly and then baked, served on linguine with tomato sauce, for only \$7.95. Is your mouth watering yet?

Save some room for dessert. The

Dewberry

By Phyllis Ewen

Headley Dennill was given an approximately 19 pound jack fish which came out of Primrose Lake. To Headley's surprise, when he went to fillet it, he found the jack had gobbled a 3 pound white fish for its dinner. The white fish was nearly all intact.

Brenda Wyness was the surprised and happy Eastalta Co-op employee to be the winner of a trip for two to Florida. The presentation was made by Warren Gill, General Manager from Vermilion and our Dewberry Manager, Dale Hobbs. They also refunded Brenda her \$10.00, the price of the ticket. To be eligible to buy a ticket the employees had to be employed a total of 32 hours per week. The trip can be taken anytime in 88.

Brian Holmen, our Alberta Wheat Pool agent attended a two week, Managers Update course at Olds recently.

Congratulations to Dalys and Karen Thiessen on the arrival of their baby boy, Preston Jacob, born January 19, 1988 in the Vermilion Hospital. A brother for Kendra and Anthony.

Assistance available to farmers

Nearly 30 farmers gathered in Elk Point last Wednesday as St. Paul District Agriculturalists Terry Holmgren and Jeff Beckingham outlined a wide range of assistance that is available to Alberta farmers. The evening was arranged by Elk Point Further Education.

The Crow Benefit payment of \$13 per tonne on feed grain has been extended to January 31, 1989, Beckingham told the group. He also reviewed the 1987 prices for this country under the Special Canadian Grains Program, which range from \$7.08 per acre for oats to \$16.44 per acre for barley.

Interest rebate incentives are available in a range and soil improvement program to increase productivity by land clearing, and a range improvement assistance program to increase utilization of leased crown land.

The fertilizer price protection plan offers a rebate of \$50 per tonne of actual nitrogen and \$25 per tonne of actual phosphorus.

Several programs offer assistance on fuel, including the Alberta Farm Fuel Distribution Allowance, Federal Excise Tax Refund and Primary Agricultural Producers Rebate Program. There is also assistance on rental or purchase of fuel, oil and propane tanks, conversion of vehicles to natural gas, and rebates on propane and heating oil.

For livestock owners, there are stabilization programs underway for feeder calves, feeder cattle, slaughter cattle, hogs and lambs. Assistance is available for those wishing to start a livestock breed association. Provincial ROP programs, and a sheep producers incentive program are also available.

Wells, dugouts, and water supply trenching also are covered by grant programs. Several wage subsidies and training allowances will assist those employing farm help. Financial management consulting, on farm demonstration programs and a rural residence rehabilitation are other aid offered.

Terry Holmgren reminded the farmers of a field pea workshop in St. Paul on February 4 and a harvest management seminar focusing on canola and specialty crops, February 19. Upcoming in Elk Point are a session on Analyzing Farm Business, February 3, Know Your Rights, February 17, and Wills and Estates, March 2, all at 7 p.m. in the Community Service Centre.

A Message to Grain Farmers

Special Canadian Grains Program—1987 Extension.

The federal government has announced the 1987 extension of the Special Canadian Grains Program.

The subsidy war between the United States and the European Economic Community is continuing to financially affect Canadian farmers. This program will help offset the low world prices of 1987 grain, oilseed and special crops caused by this subsidy war.

For crops produced in 1987, this special assistance has been increased to \$1.1 billion. Also increased is the number of eligible crops. The grain, oilseed and special crops included in the program are listed below.

1 Farmers who applied for a payment under the Special Canadian Grains Program last year have been mailed application forms this year. Other farmers can obtain forms by calling the toll-free number, or by contacting:

- Agriculture Canada regional offices
- Farm Credit Corporation offices
- Offices of Members of Parliament
- Elevator agents

- Producer associations
- Provincial extension offices.

A separate application form will be distributed to honey producers in mid-February.

2 A first installment payment covering about three-quarters of each farmer's total entitlement will be made before March 31, 1988. Final payments will be made by the end of June.

Farmers who do not receive a first installment payment will receive their total payment in June.

3 The application deadline is March 16th, 1988.

To be eligible for the assistance, all farmers must submit an application form. They must be postmarked no later than March 16, 1988.

If you need more information, call toll-free between 7 a.m. and 7 p.m., EST:
